EXCURSION EXAMPLE

CU CHI TUNNELS
HO CHI MINH CITY, VIETNAM

Explore a vast underground network of tunnels that hid and protected thousands of Viet Cong troops during the Vietnam War. The section that you will tour lies beneath the Cu Chi district in the countryside north of Ho Chi Minh City. As you will discover, the tunnels span thousands of miles and once hid an underground city of sorts with living quarters, smokeless kitchens, hospitals and schools. The tunnels were typically 1.5 metres (five feet) high and not even 90cm (three feet wide), with air passages to the surface camouflaged to look like natural holes from tree roots or animals. The tunnels that you will traverse have been expanded somewhat for safety and convenience. Digging the tunnels by hand was an incredibly arduous endeavour. Before abandoning them, the Viet Cong left booby traps for the invading troops.

CRANE RESERVE &
KUSHIRO CITY MUSEUM

KUSHIRO, JAPAN

Watch red-crowned cranes in a reserve where they are bred and browse a museum designed to resemble one of these revered birds, once thought to be extinct. Although the crane population is still low, these birds have made a comeback thanks to sanctuaries such as the reserve. Its exhibits present an intriguingly detailed picture of these iconic Japanese avians that symbolise longevity and loyalty as they mate with one partner for life. The Kushiro City Museum building was designed to emulate the shape of a red-crown crane spreading its wings. Inside, you will find an array of natural history treasures, including a mounted crane, the skeleton of a blue whale and artefacts relating to the indigenous Ainu culture.

AUSTRALIA & NEW ZEALAND

Separated by the expanse of the Tasman Sea, Australia and New Zealand are strikingly different. Explore Australia's shores and you'll be met by bushland, scenes of laidback beach life, outdoorsy coastal cities filled with green spaces and the island's extraordinary wildlife. The country's Aboriginal roots enhance your journey, with ancient Dreamtime stories echoing across the Red Centre and the art adorning of Australia's modern cities. New Zealand casts a spell just as powerful with a cooler climate and mountainous landscapes that filmmakers have long flocked to. Māori traditions infuse daily life, from the soulful haka dance to the innate connection and respect for nature known as *kaitiakitanga*.

Whether you are snorkelling the waters of The Great Barrier Reef, roaming New Zealand's lush landscapes and vineyards or diving into Melbourne's eclectic food scene, your voyage will be as varied and vibrant as these unique islands.

HIGHLIGHTS OF RIO

RIO DE JANEIRO, BRAZIL

Enjoy a classic Rio orientation plus stunning views on this leisurely tour that combines panoramic drives with a cog-rail trip up Corcovado Mountain to the iconic Christ the Redeemer statue. See the sights of downtown as you work your way to the Cosme Velho district to reach the base station of the historic cog railway. First opened in 1884, this world-famous 4km (2.5-mile) railway traverses lush Tijuca Forest terrain on its way up Corcovado Mountain. The views get increasingly dramatic as the 30-minute ride progresses. Once at the upper station, you'll be treated to a stunning vantage point on the entire city, weather permitting. But don't stop there; go for the full experience, which involves an elevator and escalator trip still higher to reach the summit and the 35-metre (120-foot) Christ statue perched some 700 metres (2, 300 feet) above Rio. It's a bucket-list view.

RECIFE, BRAZIL

**INCLUDED SHORE
 EXCURSION EXAMPLE**

**CATAMARAN AND
 OLD RECIFE**

RECIFE, BRAZIL

Sail a catamaran along a river through downtown Recife to discover why the city is sometimes referred to as 'Brazil's Venice'. The sprawling city covers three islands filled with everything from soaring skyscrapers to colourful colonial mansions. Some 40 bridges tie it all together, and they, too, vary widely in age and architectural style. Next, you'll exchange your catamaran for a coach and head for the Marco Zero Square, the most popular square of the city. From there, your on-foot exploration starts along the Rua do Bom Jesus and its remarkable buildings from the 17th century. You will visit an old building that today houses the Museum of the Giant Puppets of Olinda - a permanent exhibition of more than 70 giant puppets. The puppets represent TV personalities, singers, journalists, sportsmen, politicians, folklore, and even religious figures and are used in carnival parades.
