## Dear Readers and Travel Enthusiasts!

*For more than 40 years, our family has welcomed guests from all parts of the world. If we know one thing for sure, it's that nothing has the power to change us like travel. Writer Graham Green perhaps said it most eloquently when he wrote, "Nobody comes back from a journey the same way they left". When you embark on a luxury AMADEUS river cruise, we promise a life-changing adventure. Our passion for pursuing the ultimate in hospitality, deep cultural experiences and exquisite service is just the start.*

*The AMADEUS fleet takes a journey through Europe's most stunning waterways and landscapes, some nearly untouched by time. Whether you're passing the day on land or on water, each new riverscape will captivate you, from vibrant cities along the Rhine to the Danube's fascinating imperial history. Enjoy romance along the Seine in Paris or stand in vast colorful tulip fields in the Netherlands.*

*Our deep respect for nature drives every ship design and standard. We are proud that the AMADEUS fleet received the Green Award, an international award within the cruise industry that recognizes the highest safety, environmental, and sustainable practices. We're committed to ensuring future generations can experience these waterways and ecosystems just as you are today.*

*Step on board and become part of the AMADEUS family. We promise to leave you forever changed as we share unforgettable European river cruises – from one season to the next.*

### DAY 3 | GERMANY: COLOGNE

In the morning, discover the highlights of Cologne on the guided city tour. End with a glass of typical Kölsch, a famed Rhineland beer. The impressive Reichsburg castle in the city of Cochem

## Your daily program Cruise Cologne – Saarlouis – Cologne

### DAY 1 | GERMANY: COLOGNE

Your cruising adventure begins in Cologne, where you will embark in the afternoon. Enjoy a Welcome Cocktail, followed by a delicious Welcome Dinner.

### DAY 2 | COCHEM

During the morning, your luxury vessel will take you on a scenic cruise down the Rhine's largest tributary, the Moselle River, famous for its picturesque landscape dominated by vineyards since Roman times. After your ship docks at Cochem, you can take the guided walking tour to discover the history seeping through Cochem's narrow alleys, medieval town gates, churches and more. You will also visit the imperial Reichsburg Castle, which towers above Cochem on an imposing crag. Wind down at dinner with your fellow guests as your AMADEUS ship travels onward.

### DAY 3 | BERNKASTEL · SAARBURG

In the morning, you will arrive at another medieval wine-growing town called Bernkastel-Kues, which is known for its medieval marketplace and its gabled houses, including the Spitzhäuschen (Pointed House). Take a trip around this charming town in the morning and enjoy the winetasting session, which is included in the guided tour. Alternatively, join us on an active tour to one of the oldest castle ruins in Germany and through the idyllic vineyards.

*"When the cruise director says you're about to sail on her favorite river, you know you're in for a treat."*

Grace, Hernando, Mississippi

The afternoon is yours to spend relaxing on board, and late at night, your vessel will arrive in Saarlouis.

### DAY 4 | SAARBURG · SAARLOUIS

Start your day by exploring the sights of the German town of Saarlouis on the banks of the Saar River. Don't miss the impressive 60-foot-drop that the river Leuk, which flows through Saarlouis, makes in the town center. You will return to your vessel in time for lunch and then enjoy a panoramic cruise along the 'Saarschleife', or Great Bend in the Saar River, where the Saar has carved a massive loop through quartzite rock between the en-

chanting towns of Mettlach and Merzig. End this eventful day with an elegant dinner on board while your ship continues its journey to Saarlouis.

### DAY 5 | SAARLOUIS · LUXEMBOURG: GREVENMACHER

After breakfast, join us to explore Saarlouis. Here, French serenity and pleasure are simply part of life. Perhaps also because the city was once founded by the French Sun King Louis XIV, whose name it bears. Parts of the original fortress remain intact and give insight into the town's history. Famous German chocolate Schogetten and other classics are produced here, so have a taste of some cocoa treats of the Saarland. After lunch on board, your vessel will take another scenic turn

A toast to the "queen of white wines", the Riesling

on the Great Bend in the Saar River before heading to the famous Luxembourg.

**DAY 6 | GREVENMACHER · GERMANY: TRIER**

One of the smallest sovereign states in Europe, the Grand Duchy of Luxembourg, awaits you today. In the morning, you can choose between a visit to the town of Grevenmacher or join the excursion to Luxembourg City. Grevenmacher is a small town in eastern Luxembourg, in a romantic wine-growing region situated along the Moselle River. Luxembourg City is the capital of Luxembourg and houses the European Court of Justice. At lunchtime, you will rejoin your vessel and return to Germany, where you will dock in Trier. Don't miss the opportunity to explore this lovely city with a history that stretches back to Celtic times. Evidence of Roman times still lingers in the city, giving it the nickname "Rome of the North." Its Porta Nigra (black gate) is the largest Roman city gate north of the Alps.

**DAY 7 | KOBLENZ**

Enjoy a restful morning on board and admire the intimate charm of the Moselle River. Wending between vertiginous vine-covered slopes, the Moselle offers entrancing scenery around every hairpin bend: vine-ribbed hillsides, colorful half-timbered medieval villages, crumbling hilltop castles and elegant Jugendstil (art nouveau) villas. During mid-afternoon, you will make a stop in Koblenz, which is situated at the confluence of the Rhine and Moselle rivers. Overlooking the confluence, there is an observation platform in the shape of a ship's bow named Deutsches Eck (meaning "German Corner"). Join the guided town walk through Koblenz. Back on board, you will be treated to the festive Captain's Gala Dinner.

**DAY 8 | COLOGNE**

Enjoy a relaxed breakfast before disembarking.

# General Terms and Conditions of Travel 2025

## PREAMBLE:

These travel conditions are issued in the name of the carrier, Lüftner Cruises GmbH / A-6020 Innsbruck, for the travel programs included in this brochure. In the following, this is referred to as "the carrier". The transportation of passengers and baggage on any of the vessels offered is governed solely by the Terms and Conditions of the Passenger Ticket Contract (available on request).

## PAYMENT POLICY:

A deposit of 10% per person is required to secure a confirmed reservation. When more than one cruise is booked, deposit and payment policies apply per cruise. The balance is due for payment no later than 20 days prior to departure, despite no further request for payment being made. All reservations are subject to cancellation if payments are not received by the due date, and in such a case the operator is entitled to cancel the reservation/s in accordance with the cancellation fees specified in these terms and conditions. Upon full payment by the participant(s) of the amount specified in the invoice, the operator agrees to arrange for the provision of the services as described in this brochure. Your payment or acceptance of a ticket constitutes your agreement to the terms and conditions of travel.

## CANCELLATION POLICY:

In cases of cancellation the operator has the right to demand the following cancellation fees, calculated as a percentage of the travel price and dependent on the number of days left until the planned departure date:

121 days or more	10%
120 – 90 days	15%
89 – 60 days	35%
59 – 30 days	50%
29 – 15 days	80%
14 – 1 day(s)	85%
on the day of departure	90%

Cancellations must be made in writing. Cancellation invoices are due for payment as soon as they are received.

## WITHDRAWAL AND TERMINATION BY THE CARRIER:

The carrier may withdraw from the travel contract before the cruise starts or terminate it after the cruise has begun in the following cases, without the carrier being liable for any claims, particularly not for damages:

- a) The carrier and its representatives on board have the right to prohibit passengers from remaining on board if, despite prior warning, they do not comply with the rules and regulations in force during the cruise, including, in particular, applicable hygiene and health measures, and orders and instructions by the ship's command, or if their behavior impairs the health and well-being of other passengers or crew, and/or the safety of the ship, or if their behavior harasses other passengers. All consequences arising therefrom shall be borne exclusively by the passenger themselves and they shall not be entitled to a refund of the cruise fare.
- b) if, by two (2) weeks prior to the start of the cruise, the advertised minimum number of participants has not been reached, which is 80 passengers per cruise or whatever other minimum number of participants has been indicated in the advertising for the service concerned. This also applies in the event that it becomes apparent at an earlier point in time that the minimum number of participants will not be reached.
- c) if, by four (4) weeks prior to the start of the cruise – with the carrier having exhausted all other possibilities – it would be unreasonable for the carrier to execute the cruise because the costs incurred in the execution of the cruise would exceed the economic limit in relation

to this cruise; that is, unless the carrier itself is answerable for the main reasons leading to the situation concerned.

## GUARANTEE, REDRESS AND DUTIES TO CO-OPERATE:

If travel services are not provided as contracted then the traveler may demand redress, either directly on board or via his/her travel agency. Irrespective of the carrier's overriding duty to provide service, the traveler has a duty to co-operate in that they must do whatever they can reasonably do to contribute to remedying the disruption and to keep any losses that may arise as low as possible or to avoid them completely. The traveler has a particular duty to advise the carrier's representative on board (specifically the hotel manager, cruise director) immediately of any possible complaints. However, these persons are not authorized to deal with any claims.

## CHANGES IN SERVICES AND PRICES:

- a) Changes and deviations of individual travel services from the agreed tour contract (for example, timetable changes, changes to scheduled sequences, or to hotel reservations) that become necessary after conclusion of the contract, and where there is no evidence of bad faith on the part of the carrier, are permissible, provided they are not significant changes and do not alter the overall tour program.
- b) The carrier reserves the right to alter the prices mentioned in the case of transportation price increases (particularly due to rises in fuel costs), docking fees, or due to fluctuating exchange rates, or to any other rises in prices /costs that were not known at the time of the completion of the booking contract.

## ACTS OF GOD, STRIKES, OR OTHER CONDITIONS BEYOND CONTROL:

- a) **Before the cruise starts:** If execution of the cruise is made more difficult, jeopardized or impaired as a result of extraordinary circumstances that were unforeseeable at the time of entering into the contract and out of the control of the carrier, such as war, strikes, civil unrest, sovereign directives (such as the requisition of accommodation or of means of transportation), embargoes, natural disasters, accidents, epidemics, pandemics, damage to the vessel (especially to the hull and engines, etc.), or other occurrences that are equivalent in their effect to the examples mentioned above (force majeure), the contracting parties may withdraw from the contract before the start of the trip, without any claims against the carrier arising from this, in particular for damages.
- b) **After the cruise has begun:** If the circumstances specified above come about after the cruise has begun and the cruise is ultimately delayed, then the carrier is authorized to reconstruct the remaining journey such that other routes or means of transport are organized, for example, by avoiding a harbor, or by traveling overland, so that the journey can be ended at approximately the original time specified. In such a case, the tour price will not be reduced and the carrier will not be liable for claims, particularly not claims for damages.
- c) **Termination of a cruise:** Should a cruise have to be terminated due to any of the abovementioned circumstances, the carrier is authorized to transport passengers and their baggage by alternate means of transport (such as by train, bus or plane) to the agreed starting or end point of the cruise, or to an appropriate intermediate point with suitable means of transport. The carrier is not
- d) **Ship in distress:** Should another vessel be in need of the cruise ship's assistance during a cruise, then the carrier is not liable for any delays caused by the assistance rendered or by any rescue operation. The decisions regarding such possible assistance rest solely with the ship's captain. The carrier will not be liable for claims, particularly not claims for damages.
- e) **Changes in the water level:** Unusually low or high river water levels may cause changes to the itinerary, possible re-embarkation onto

another vessel or transfer(s) by coach or rail, or may even lead to a shortening of the journey. The carrier and the ship's captain sometimes have to take such decisions quickly. Such measures do not justify withdrawal from the contract by the person traveling and the carrier is not

#### **UNUSED SERVICES:**

If as a result of an early return or for other reasons, passengers do not make use of individual cruise services that were properly offered, there is no entitlement to a pro rata refund of the cruise price. The carrier will, however, make an effort to obtain reimbursement for the expenses saved from relevant service providers. This obligation does not apply if the services in question are insignificant.

#### **PASSPORTS, VISAS, CUSTOMS, CURRENCIES AND HEALTH REGULATIONS:**

The traveler is solely responsible for compliance with all matters regarding travel-related regulations and prerequisites. Any interruptions resulting from noncompliance with such regulations will be at the expense of the traveler, unless caused by intentional misinformation by the carrier.

#### **INSURANCE BOND:**

Lüftner Cruises GmbH is listed in the carrier directory of the Austrian Ministry for Economics, Family and Youth under number 2004/0052. In accordance with the travel agency insurance ordinance applicable to Austrian carriers (Reisebürosicherungsverordnung – RSV), Lüftner Cruises GmbH insures customer money received. Further information regarding this travel security and on the assertion of rights, deadlines, etc., and on claim exclusions can be obtained from the travel agency handling the reservation.

#### **TRAVEL INSURANCE:**

For your own safety, it is advisable to take out an insurance policy in good time, covering, in particular, possible cancellation costs as well as damage and/or loss of your luggage, costs for possible medical treatment, repatriation services, etc.

#### **CHILDREN/MINORS:**

Due to the particular features of the cruise programs, special provisions apply to bookings with children and minors:

- The carrier may limit the number of passengers under 3 years of age.
- Passengers up to the age of 16 must be accompanied by and share a cabin with a parent, guardian or other responsible adult over the age of 21. Parents and guardians are responsible for the behavior and appropriate supervision of their accompanying children and minor(s) throughout their vacation.

#### **PASSENGERS WITH RESTRICTED MOBILITY:**

The carrier has considerable respect for people with restricted mobility who choose to travel. In this sense it will not discriminate against persons with a disability in any way. Taking part in a river cruise does, however, place certain demands on passenger mobility. On all ships, passengers must be able to walk up and down the pathway to and from the ship as well as on the stairs and ramps without a walking aid or wheelchair. These are generally not wide enough for these walking aids and the breadth of these stairs and ramps, making it impossible for people to help with movement. Scooters and wheelchairs are not permitted on board and the carrying of other walking aids may also be restricted due to safety reasons. For this reason, persons with special needs must inform the carrier before booking who must grant permission regarding travel. If a passenger is not permitted to travel for this reason or any other medical reason, this cannot lead to a claim against the carrier for damages for whatever reason.

#### **FOOD INTOLERANCES AND DIETARY REQUIREMENTS:**

Our chefs and restaurant staff do all they can to ensure that all dietary requirements are met wherever possible. Such requirements of individual passengers can, however, only be fulfilled if service fulfillment for all passengers on board can also be ensured.

In all cases, passengers are obliged to control the food which has been served to them in so far as it is possible. Passengers must inform the carrier of any food intolerances or dietary requirements as soon as possible. If the carrier is not informed in good time, passengers cannot expect their dietary requirements to be considered. The carrier reserves the right to not permit a passenger on board if the fulfillment of their dietary requirements would pose too great a challenge for the on-board organisation. This cannot lead to a claim against the carrier for damages for whatever reason. These restrictions also apply to all further land services, excursions, transfers etc which are booked with the carrier in association with a cruise.

#### **LIABILITY/LIMITATION OF LIABILITY/DISCLAIMERS:**

- a) The carrier is liable for services which are included in the description of the respective cruise.
- b) The carrier is not liable for any service disruptions, damages to persons and/or not all the ports, buses, etc. that are used have suitable facilities.
- c) The carrier expressly refers to possible liability limitations and exemptions relevant under the Strasbourg Convention on the Limitation of Liability of Owners of Inland Navigation Vehicles (CLNI), including protocols and amendments, together with the further provisions of the International Convention of Limitation of Liability for Maritime Claims, 1976, likewise including amendments and addenda, if and as applicable, as well as all further state laws applicable in this respect.

# Important Information

**AIR CONDITIONING:** Please note that the air conditioning in your cabin is only effective if doors and windows are kept closed. Air conditioning can be regulated individually in each cabin.

**ANNOUNCEMENTS:** A public address system enables our Cruise Directors to provide important information about places we are passing, the onboard program and shore excursions. You can hear these announcements on the Sun Deck, in your cabin, and in all public areas of the vessel.

**CHANGING MONEY:** Please inform yourself of the currency regulations in the countries you are visiting before commencing your journey.

**CLOTHING:** By day and during shore excursions, we recommend casual clothing and comfortable footwear. A jacket or pullover may be required in the evening. For dinner and special occasions we recommend dressing smartly.

**CRUISE DIRECTOR'S TEAM:** The Cruise Director's team will look after you throughout the cruise and is happy to provide any additional information you require.

**CRUISE ITINERARIES:** Although every effort is made to keep itineraries as advertised, we reserve the right to make changes and substitutions as necessary to ensure the safety of our guests and our vessels. Due to force majeure, high or low water, and technical problems relating to the ship, as well as waterway infrastructure, waiting times at locks due to traffic, etc., changes may occur. In such cases, you will be immediately informed on board about the consequences.

**DAILY PROGRAM:** A Daily Program is placed in your cabin on the previous evening. It contains important information such as meal times, as well as the timing for excursions and other events.

**DECKCHAIRS:** There are plenty of deckchairs on the Sun Deck which are available free of charge.

**DINING:** The onboard restaurant accommodates all guests in one sitting. The restaurant serves both local and international dishes and a vegetarian option is always available. The Maître D' will assist with seating.

**DRINKING WATER:** The ship has been outfitted with a sophisticated filtration system, and the tap water in each stateroom is safe to use.

**ELECTRIC CURRENT:** The voltage on board ship is 230 V, European standard. To use any electrical product that is not dual voltage (e.g. from the US, Canada, Australia or the UK), you will need a plug adaptor and some devices will require a voltage converter. A two-pole adaptor is available at reception.

**ELEVATOR:** All AMADEUS vessels in this brochure are equipped with an elevator that services all decks except the Sun Deck.

**DOCKING:** Local river authorities allocate docking space around ship arrivals/departures in port. Occasionally port conditions require ships to tie up alongside each other, in which case guests may be required to walk through another ship to access their own ship. This is part of the river cruise experience and is perfectly normal and beyond our control. Guests may experience obstructed views from staterooms when the ship is docked.

**ENTERTAINMENT PROGRAM:** The schedule for the onboard entertainment may be found in the Daily Program.

**EXCURSION PROGRAM:** Excursion packages can be purchased at a discounted rate before the start of your cruise. Excursions can be booked on board either individually or as a package at the cost specified in the travel catalogue. You will receive a description of the excursions with your travel documents before the start of your cruise. Should you have any further questions, please contact the Cruise Director on board. Where possible, shore excursions will be conducted in one language only, provided there is a minimum of 20 participants.

**FAMILY RATE:** Die *AMADEUS Nova, Imperial, Riva, Queen, Provence* and *Silver III* have a limited number of C-1, C-4 resp. B-4 cabins with connecting doors, which can be booked on request for 2 adults with 1 or 2 children.

**FITNESS:** A fitness room is open 24 hours a day on every AMADEUS vessel.

**GIFT SHOP:** This shop offers exclusive AMADEUS branded items, as well as souvenirs, postcards, stamps, accessories and some everyday essentials.

**GRATUITIES:** Gratuities are a common way for guests to express their satisfaction with the cruise staff. If you are happy with the service you receive, our staff will appreciate tips in recognition of their effort. You will receive further information on board.

**HEALTH:** Please inform your travel agent if you require special medical arrangements on board. We reserve the right to refuse such requirements. For passengers with special needs, please refer to the regulations in the General Conditions of Travel.

**INSURANCE:** While travel insurance is not required in order to participate in this program, we recommend that each guest purchase a travel protection plan, as unforeseen circumstances can occur both prior to and during travel.

**INTERNET/WIFI:** All AMADEUS ships have wireless Internet/WLAN. We ask for your understanding that the connection may be weaker on certain sections of the route. In addition, there may be short interruptions when national borders are crossed. The staff on board can provide more detailed information on this.

**LAUNDRY SERVICE:** A laundry service is available on board for a nominal fee. Please note that neither self-service laundry facilities nor dry cleaning services are available.

**LIBRARY:** There is a selection of light reading material available for your use on board. Whenever possible, daily newspapers are also made available. At the end of the cruise we ask you kindly to return any books or magazines you have borrowed.

**MEDICATION:** If you require any special medication, please ensure that you have an adequate supply before joining the cruise. The onboard pharmacy is equipped for emergencies.

**ONBOARD ACCOUNT:** Your account will include your personal expenditures in the bar, restaurant, onboard shop, etc. At the end of the cruise, you will be presented with a bill for settlement prior to disembarkation.

**ONBOARD CURRENCY:** The currency on board is the EURO.

**PAYMENT METHODS:** The following payment methods are accepted for the payment of shore excursions and the settlement of your onboard account: cash in the form of Euros, Swiss francs (CHF), British pounds (GBP), US dollars (USD) and Norwegian krone (NOK), as well as Maestro bank cards and common credit cards such as American Express, Visa, MasterCard and Diners Club.

**PETS:** Pets are not permitted on board.

**POSTAL SERVICE:** Letters and postcards can be mailed through the Reception Desk. Mail will be sent from the next port of call.

**SAFE:** Please use the safe in your cabin to store valuables, cash, etc.

**SAFETY NOTICE:** For your safety, we kindly ask all guests to use the handrails at all times while on board. This applies to all areas of the ship, especially when using the gangways. Please be aware that not all areas of our ships can always be fully illuminated due to nautical requirements. If you feel unsafe in these less well-lit areas, such as stairways, we advise you to avoid them.

**SERVICES NOT INCLUDED:** Please see the travel description to determine which services are included. Tips and other personal expenses are not included.

**SMOKING:** For safety reasons, smoking is not permitted anywhere inside any AMADEUS vessel. Smoking is only permitted on the Sun Deck and on the River Terrace.

**SPECIAL DIETARY NEEDS:** If you have special dietary requirements or suffer from food allergies (e.g. lactose intolerance, gluten intolerance, etc.), please inform your travel agent at the time of booking. Our crew is experienced in carefully observing dietary needs. Please note, however, that while our crew will do their best to ensure that your request is accommodated, they are, of course, also responsible for the care of the other passengers on board. We reserve the right to refuse certain dietary requirements or to charge for them separately.

**TRAVEL DOCUMENTS:** Please check with your travel agent or respective embassy regarding the entry regulations of the respective countries before starting your cruise. If necessary, the reception desk will ask you to hand in your travel documents on embarkation in order to reduce the paperwork associated with border crossings as much as possible. All travel documents handed in will of course be stored safely.
